

FUTEL: THE TELEPHONE OF THE FUTURE, TODAY

A Curiosity Club forum presentation

Tuesday April 7, 6:00 pm

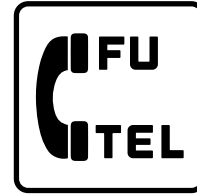

Hand-Eye Supply

427 NW Broadway

<http://www.handeyesupply.com/blogs/curiosityclub/>
<http://futel.net>

Learn what we hope to achieve by starting a free telephone network, the motivations of our predecessors in the phone phreak and mail artist community, our philosophical background in creating useful and nonuseful devices out of discarded junk, and the importance of retaining skills with obsolete interactive technology.

For more information, dial 0 from any Futel phone.
